The teachers have been hired for the coming year: Miss Helen Bryenton for the primary again, Miss Florence Johnson and Mr. Gault for the other grades and the hope is that parents will cooperate and make it a success.

Mr. Frank Vance, who broke his leg in an automobile accident, has so far recovered as to be able to return home in the near future.

The talk given at the church last Sunday night has occasioned a good deal of comment. It seems strange that a community blessed and protected would allow its country run down as seems to have been done with hardly a word of protest. Are the people asleep or not, thinking what is being said that they should allow a person even in the pulpit to parade Prussianism before them. We earnestly hope and believe there is still loyalty enough in our country to put a veto on any more seed sowing of that kind. "Don't let us bite the hand that feeds us."
